

Bead Fanatic

Be creative. Be original. Be amazing. Bead Fanatic.

After 7 years successful online retailing, Bead Fanatic have made the leap from virtual to reality with the launch for their *beadiful* new store in the heart of Rochford.

Boasting over 2000 lines, Bead Fanatic has become Essex's one stop beading shop; a jewellery-makers paradise supplying all the tools, books, findings and, of course, beads you could ever need; from Lampwork Mixes to Venetian Wedding Cake Beads.

Based in a gorgeous Grade II listed building in West Street – a far-cry from the back bedroom of its early days – Bead Fanatic will soon be spreading the beading love, offering classes and children's parties. Please contact Louise on 01702 543332 for more information.
